

# “Stone talking“

Schloss Lautrach

What gets people going, what moves Body, Spirit and Soul? The answers die these questions were since long the reasons for change. From April 2018 and at **Schloss Lautrach** young Artists/Sculptors from Zimbabwe organized by **Galerie littleZIM**, will be giving their answers by expressing their ideas in stone and other media. During the 6 months long exhibition the opportunity is also given to attend Sculpting/Ubuntu workshops where, in a creative way, attention, patience and teamwork can be practiced with the artists.
